## Message from the President

By Chris Miller

From humble beginnings . . . to the MnGFOA of today. Many of you know the story of how the MnGFOA was established. You may know that in 1964, 15 finance officers established the MnGFOA with the purpose of getting together to discuss common issues facing government finance officials at the time. Over time, the purpose of the MnGFOA evolved to encompass educational and networking opportunities, as well as promoting and enhancing the profession.

Purpose. We've been talking a lot about purpose lately. While our beginnings may have been humble, the MnGFOA of today stands vibrant and purposeful thanks to our membership - a membership which has remained as committed to the collective cause as we were in 1964.

Thanks to your input, exciting changes are on the way. New educational and networking opportunities have been established. Added emphasis at reaching members in Greater Minnesota is underway as well. Finally, outreach efforts to prospective members have received greater attention. Thanks to all of you, our purpose is clear and focused.

2006 brings a new year, with new opportunities, and new challenges. Larry Jacobson becomes our new Treasurer; Robin Roland takes over as our Secretary, and Greg Sticha becomes President-Elect. Tom Pepper continues to serve as Past President. After serving on the Executive Committee for the past 6 years, Tom Kelly moves on to other callings. His energy, ideas, and guidance will be missed.

Bonnie Burton remains as the State Representative, and we're joined by Fred Espe and Aaron Nielsen as At-Large Members to round out the Executive Committee.

We have a strong group of people, and along with our Committee Chairs and all who serve on those committees, 2006 looks to be another successful year.

I would like to extend a special thanks to this year's Committee Chairs for their continued dedication. This year's chairs include; Sue Iverson (Conference), Cindy Rollins (Education), Michelle Pietrick (Program), and Tonya Weinert (Social). Your efforts are truly appreciated.

Finally, I want to thank Tom Pepper for his unsurpassed effort in serving as President during the past year. Over the years, and especially during his term as President, Tom served simultaneously as captain, navigator, and oarsman on initiatives and efforts too numerous to list here. Thank you Tom for everything you've done. Thank you for keeping the MnGFOA purposeful.
