Excellence and Leadership in Government Finance

www.mngfoa.org

Message from the President

By Chris Miller

Charles Darwin and similar practitioners observed that in order for species to survive, they must evolve. They must adapt to their changing environment, respond to challenges and threats, and be highly tuned to their own needs. And perhaps most important of all, they must pass along their wisdom to those that follow.

In many ways, these same principles can apply to organizations such as the MnGFOA. Which begs the question; do we have the mechanisms in place to pass our institutional wisdom to tomorrow's government finance leaders? It would certainly seem that way. Our Annual Conference, training events, monthly programs, and networking opportunities all provide valuable opportunities.

The 2004 Membership Survey findings suggest that we are indeed attracting new entrants into the profession. But I think we have a responsibility to keep challenging ourselves to seek as many avenues for sharing knowledge as possible. Mentoring, attending college fairs, and speaking to accounting or business clubs all present opportunities that are in abundance and there for the taking. While the MnGFOA will continue to do its part, I hope all of you feel empowered to pursue your own efforts to share your knowledge with tomorrow's government finance leaders.

At the June meeting, our speakers included Gary Carlson and Jennifer O'Rourke from the League of Minnesota Cities. Gary commented that the recent legislative session was relatively short, but challenging nonetheless.

He noted that with a few exceptions, there wasn't much substantive change to State Statutes. Jennifer also updated us on the tax bill, noting that absence of levy limits, and the restoration of the market value homestead credit reimbursement that had been withheld from many cities. Thanks again to Gary and Jennifer for a great legislative update. Gary will also be presenting an expanded update at the Annual Conference.

Annual Conference Advertising

The 2006 Annual Conference will be at Arrowwood again this year, September 20 – 22, 2006. The theme this year is “The times, they are a changin!” Associate members are invited to achieve maximum results by placing an advertisement in the annual conference book. Your ad will be seen by hundreds of finance officers and other finance professionals and will help to defray the costs of the conference for all members. The advertising opportunities and related costs are as follows:

1/4 Page	(3 1/4 " W X 4 1/2 " L)	\$225
1/2 Page	(7 " W X 4 1/2 " L)	\$350
Full Page	(7 " W X 9 " L)	\$475

Please adhere to these sizes and orientations when submitting your ads. Email a “clean” copy of your ad to George Eilertson at geilertson@northlandsecurities.com by **August 7, 2006**. If you placed an ad in the 2005 program, we have your ad on file. If you would like to re-run the same ad please indicate. The quality of your program ad will only be as good as what you send us. Acceptable ads will be the appropriate size and acceptable in Adobe (.pdf); MS Word (.doc); MS Publisher or MS PowerPoint (.ppt).

Make your check **payable to “MnGFOA”** and forward to:

George Eilertson, Sr. Vice President
Northland Securities, Inc.
45 South Seventh Street - #2500
Minneapolis, Minnesota 55402

This is a great way to keep your name in front of the general membership and support the Association at the same time. Thanks to all of you who purchased ads last year. We are looking forward to a great conference and hope to see you at Arrowwood this fall.

The MNGFOA is Working to Attract Tomorrow’s Financial Leaders

Over the past eight years, the MNGFOA has remained a sponsoring organization and exhibitor at the annual Accounting & Auditing Student Conference. In this role, the MNGFOA has an opportunity to visit with over 500 students from area colleges and universities who are interested in learning about careers in governmental finance and accounting. We need your help in getting the message out! The MNGFOA is looking for members from governmental organizations that are willing to spend some time helping out during the event as a conference ambassador, or in the exhibit booth.

This year’s conference is Thursday, September 28, 2006, and runs from 9:00 – 3:00pm. We could use your help especially in the morning hours, but if you can stay the whole day, there will be a free lunch plus a motivational speaker during the break!

----- Also -----

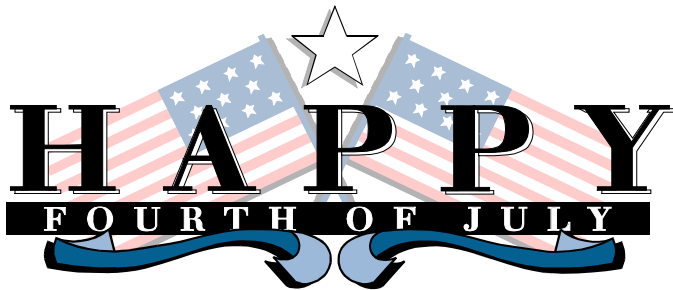

Has your organization recently hired employees that have recently completed a degree program? At the annual Accounting & Auditing Student Conference, a forum is provided where students interested in careers in governmental finance and accounting can visit with employees that have recently completed a four-year or two-year degree program, and have gone on to work for governmental agencies. This has proven to be extremely popular as the sessions are held ‘behind closed doors’ which gives the students a chance to find out what it’s like to work in government, and how rewarding it can be.

We need your help in introducing students to careers in governmental finance and accounting. If you are a recent grad or your organization has hired a recent grad in the past five years, we would like to extend an invitation to the conference so that they can share their success stories with our future hiring prospects.

If you are willing to help us out on these important efforts, please contact Chris Miller at 651-792-7031, or by email at chris.miller@ci.roseville.mn.us.
